FRIENDS OF SCOUTING CAMPAIGN

Friends of Scouting is a critical yearly fundraising campaign that assists the Bucks County Council in offsetting program costs and providing quality service. The true cost of Scouting is much greater than what local dues and event or camping fees cover.

What Does Friends of Scouting Support?
Yearly registration fees directly support the National Council of the Boy Scouts of America and help provide program development, research, and literature. The Bucks County Council uses contributions made through the annual Friends of Scouting campaign to:

- Maintain camp properties and the service center.
- Organize new Scouting units and support existing ones.
- Provide professional support and leader training.
- Distribute program resources and regular communications.
- Organize activities and events.
- Offset general liability insurance costs to chartered organizations.

Thank you to all packs, troops, and crews who supported the campaign to date by conducting a Friends of Scouting presentation and give families the opportunity to contribute.

Please remember to schedule your presentation as part of your annual calendar planning and encourage participation—everything helps to support a strong Scouting program in southeastern Pennsylvania and western New Jersey.
