AJAPEU LODGE #33
ARROWMAN RECRUITER

"To crystallize the Scout habit of helpfulness into a Life Purpose of Leadership and Cheerful Service to others."

That is the final statement of the four points of the purpose of The Order of the Arrow as stated by National BSA Policy. That brief yet powerful sentence lays down what the challenge and responsibilities are that go along with being a member of The National Honor Society of Scouting. As Arrowmen, we are forever marked as being in a role of Leadership and for willingness to lend Cheerful Service wherever it may be needed.

As Arrowmen grow and mature, we need to give back to those that saw something in us that warranted the honor we have been granted. As a way to help and mentor, Ajapeu Lodge is starting a program that will be asking Arrowmen of all ages to help recruit new youth (under 18 years old) into Scouting.

This is how the program works. We are asking that you recruit a new youth member into Scouting. You will be entitled to one Ajapeu Lodge Recruiter Patch for every youth that you bring into Scouting. The only requirements are that the youth that joined must remain active in the unit they joined for a minimum of 6 months and this must be someone that was not already in the Scouting program. Recruiting Cub Scouts into Boy Scouts will not qualify you for this patch. At the end of 6 months, you will earn the patch if the person you brought into Scouting is still active in the unit. You can earn as many patches as you want, but this is an EARNED patch only. It is not and will not be for sale, and only 200 will be issued. We will be running this program until the 200 patches are gone. No more of this first issue Recruiter patch will ever be reordered. If the program is successful, we may repeat it in the future, but it will be done with a different patch.

So here is your chance to earn a unique Ajapeu patch and help bring more young people into the realm of Scouting.
