

Attention Cub Scout Leaders!!

2005 Cub Scout Round-Up Campaign New Pinewood Derby Race Kits Incentive!

*"2005 Race To Cub Scouting,
It's Fun At Every Turn"*

How it works: Each new boy who joins Cub Scouting on your designated "Join Scout" night or event, will receive a colorful Race To Cub Scouting "driver's license". The license entitles him to receive a Race To Cub Scouting New Cub Scout kit (limited supply), with a pinewood derby race kit and information about upcoming Fall activities included inside. The kit is presented to him at your first pack meeting. You need to turn in to the Scout Service Center all youth applications and registration fees, by September 30th, in order to be guaranteed to get the kits.

Licenses will be available at each of the District's Cub Scout Round-Up Orientations & Ice Cream Socials. Please call the Scout Service Center at 215-348-7205 and your District Executive for more information. A reminder all of the Race To Cub Scouting Campaign information, including the Round-Up Plan, marketing timeline and support materials, job descriptions, and invitation/fact sheet for the Orientations & Ice Cream Socials is posted on our council website www.buckscountybsa.org!
