Eagles' Nest NYLT with an emphasis on HOW TO!

What is Eagles' Nest

Eagles' Nest NYLT centers around the concepts of what a leader must **BE**, what he/she must **KNOW**, and what he/she must **DO**.

The key elements are then taught with a clear focus on **HOW TO**.

The skills come alive during the course as the team goes on a *Quest for the Meaning of Leadership*.

The content of this course is delivered in a team and group outdoor setting with an emphasis on immediate application of learning in a fun environment.

This course integrates the best of modern leadership theory with the traditional strengths of the Scouting experience.
